

a board that will be held accountable for its own acts by accepting the further permanent responsibility of the management of the school.

Before concluding, I want to propose an oath of office for employees of the Weeks School. It will read, "I swear that while I am an employee of the Weeks School, should I see or have knowledge of any neglect, harsh, cruel or unjust treatment of any boy or girl of the school, I shall report the same at once to the superintendent in person, so help me God".
