The Federal Diary

By Morgan Baker.

D ESPITE heavy dismissals at NRA, the total number of civil officers and employes in the executive branch of the Federal

Government in Washington shows an in-crease of 1.045 during July, ac-cording to the monthly report of Civil Service Commission re-Commission re-Commission re-leased last night. W a shington's Federal employe population. ex-clusive of the legislative, judi-

cial and military branches, now totals 104.498. They are distributed among the 10 departments and 62 independent offices and New Deal agencies. Fifteen of the agencies tabulated have less than 10 em-ployes. The largest Federal unit in Washington is the Treasury Depart-ment, with 17.001 employes. Agri-culture tincluding the AAA) and Navy Department are almost tied for second place in numerical strength with slightly more than 11,000 employes each. The State De-partment, with only 828 employes. is at the bottom of the numerical list of the executive departments. st of the executive departments. Resettlement Administration hows the largest increase for July list abows the largest increase for July with 766 permanent or emergency and temporary workers placed. General Accounting Office is second in increase with 568 additional em-ployes, FERA shows a net gain of 186 of 186.

or 180. Approximately one-sixth of all the executive branch workers on the Federal pay roll are in the Dis-trict, the field showing a total of 625,271, or a grand total in and out-side the District of 729,769 employes and officials. and officials.

Postoffice Department, of course, Postoffice Department, of course, leads the list in the field with 259.-454 workers. This figure, however, does not include temporaries, but does include 21.850 employes in

Federal Mail Room.

I wade through hours of stress and

I wade through hours of strain, strain, And mental excavations, And then decide the letters meant For Rules and Regulations,

But thoughts uneasy wrack me yet, So from my chair I bounce, And scan that letter once again, And route it to "Accounts."

And then, while madness hovers near. With bulging eyes I sec. This cryptic little missive Was really meant for me. L. B. M. (P), Internal Revenue.

A PPOINTMENT of Dr. Dorothy B. Nyswander as regional di-rector in the Western States to represent the women's division of the Works Progress Administra-tion, of which Mrs. Ellen S. Wood-ward, assistant administrator, is the head, has been announced by Harry L. Hopkins, Works Progress Administrator. During 1933 and 1934 Dr. Not

During 1933 and 1934. Dr. Ny-swander served as State director of Women's Work for Utah. Since the beginning of the WPA program, women's work for that, since the beginning of the WPA program, she has been in charge of all wom-en's projects as well as other pro-fessional technical and educational projects for both men and women in Utah.

in Ulah. She will be attached to the staff of Robert H. Hinckley, field repre-sentative in Region No. 5, which in-cludes Washington State, Oregon, California, Arizona, Nevada, Mon-tana, Idaho, Utah, New Mexico, Colorado and Wyoming. Dr. Nyswander has been profes-

Colorado and Wyoming. Dr. Nyswander has been profes-sor of psychology at the University of Utah since 1926. She is director of the University Child Clinic and is the only woman member of the State Planning Board of Utah. She is vice president of the State Con-ference of Social Work and is a member of the executive committee of the State Mental Hygiene Asso-ciation. ciation

In 1932 Dr. Nyswander did re-search work with the American Child Health Association in New York on a study of remedial de-fects in school children. She is a member of the American Psycho-

gical Association and did research the psychological laboratory at in the psychological laboratory at Stanford University. She taught at the University of California, where she received her Ph. D. degree.
